1. Name:

FRESHMAN

SOPHOMORE

JUNIOR

SENIOR

2. Title of Your Project:

3. Did you have a mentor?

YES

NO

4. IF YES:

You worked with your mentor in a working lab OR

Your contact with your mentor was only by phone or by e-mail.

5. If you worked with a mentor, where did you do your work?

Some of you made arrangements with a mentor (for example a professor at UCLA) and then the mentor assigned you to work with a grad student or another designated supervisor. I want the name of your main mentor and if applicable, your designated supervisor as well. If you worked with only your mentor, then leave the space for the designated supervisor blank.

6. Name of your mentor:

7. What is your mentor's:

Phone number (include area code)

e-mail address

8. Title or position of your mentor and where he/she is employed.

9. If you worked with a designated supervisor, what is his/her name:

Phone number (include area code)

e-mail address

Title or position

10. How did you find your mentor? (Explain in detail how you found your mentor so others may learn from your experience.) There is no explanation necessary if your mentor is one of your parents.
